

2-PHASE EVENTING SERIES

25th May 2026

Start Times

Start Times are approximate. This is the time you will present for SJ. Once jumped re-enter the collecting and head to the XC start box when you are ready. If you need a breather that's fine, if you want to go straight away that's fine too - Just let us know!

Remember to print 2 numbers on A4 paper and bring your number bib. Make sure numbers are large and BOLD. It is important we can read it from a distance.

XC is run on optimum time. It is based on a steady canter. Going too fast or too slow will incur time penalties.

All COURSE WALKS on the day of the event. NO COURSE WALKS PRIOR TO THE DAY.

PYO PAIRS XC - this class will run throughout the day, anytime after 9:00am. You may complete your Pairs XC before starting your individual class if that suits you best, just make sure you are allowing enough time so that you won't be late for SJ. The results from the pairs class will be at the end of the day.

To save administrative time, all unpaid entries have been deleted. You will need to re-enter online or on the day.

Entries will remain open on-line until the evening before the event. If you want a number and a time please make sure to pre-enter. Further entries will be taken on the day at the XC Start

If you have a question - please read the schedule before messaging.

Equine Influenza - Ensure your horses vaccinations are up to date and take all sensible precautions. Do not allow direct contact with any other horses, do not share water buckets, do not hand graze, do not touch unknown horses. Remain vigilant. Do not attend if your horse is showing any signs of illness.

HAVE A GREAT DAY!
